UPCOMING TRAINING WORKSHOPS THAT WORK FOR YOUR BUSINESS

TEAM LEADING & MANAGEMENT WORKSHOPS

Delegates will develop a knowledge and understanding across Team Leading and Management concepts - relevant to a range of employment situations, identifying new working practices across a number of different contexts.

Delegates will be encouraged to network and facilitate beyond completion of the session. The workshops are open to anyone, whether they are looking for a promotion, as part of their CPD or longer term goals.

PREPARING TO PRESENT TO OTHERS WORKSHOPS

Based over 3 consecutive days, this course can be delivered, at either a central location or on your premises.

As with all of our courses, numbers are restricted to ensure a quality learning environment.

CUSTOMER SERVICE WORKSHOPS

We run these 1 day workshops, delivered in a central location or on your own premises.

Numbers are restricted to ensure a productive environment.

Customer service is massively important to any organisation, whether this is with an internal or external client.

These workshops are ideal for those in a Customer Service background and wish to reinforce or underpin their knowledge or for people looking to

step up and gain additional responsibilities.

BUSINESS SKILLS AND ADMINISTRATION WORKSHOPS

Delegates will develop their skills, awareness and confidence when working within an administrative role, so wish to develop their full potential and/or the potential of others.
